National Day Celebrations at St. Andrew's Cathedral Home

By Lina Wee

On 15 July, a group of SMESA members visited the residents at the SACH to celebrate the upcoming National Day. It has been a long time since I last visited the residents. I was saddened that quite a number of residents are no longer there but I was happy to see a few familiar faces and a few new faces.

We started the programme with the singing of National Day and Christian songs. The residents were happy to sing along with actions. Thereafter, we assisted the residents to assemble a craft which I have designed with NDP theme. One resident felt so nostalgic after assembling the craft that she started singing our National Anthem in her melodious voice which got all of us to sing along with her.

National Day Celebrations at St. Andrew's Cathedral Home

- Cont'd from Page 3

The residents were also treated to cookies baked by one of our SMESA members, Jenny Koh. The cookies were in the shape of a crescent & 5 stars as well as the Merlion – enhancing the festive mood.

It was a wonderful afternoon spent with all the residents and my fellow friends from St. Margaret's family.

SMS(P) PERI-Upgrading Project Updates

By God's grace, we have raised the required sum for the PERI upgrading project. We praise and thank God for His provision.

The school will receive the TOP by this year and the move will be in November so that school can function in the new premise in Sophia Road at the start of the new school year in 2025.

To God be the glory!
